## About Us

At P R Biodegradable International Private Limited, we are dedicated to shaping a sustainable future by delivering eco-friendly alternatives to conventional disposable products. Founded in 2025 in Ghaziabad, Uttar Pradesh, we are a leading manufacturer, trader, and supplier with a clear vision to reduce plastic dependency and promote responsible consumption through high-quality biodegradable solutions. Our values are rooted in innovation, integrity, and environmental stewardship, which guide us in every step we take toward serving our customers and protecting the planet. We offer a premium selection of biodegradable products that combine utility, aesthetic appeal, and environmental consciousness. Our product line includes Square Areca Leaf Plate, Disposable Rippled Paper Cup, Disposable Wooden Toothpick, Disposable Wooden Ice Cream Spoon and Square Areca Leaf Bowl. Each item is crafted to meet both functional and ecological needs, offering a seamless blend of convenience and sustainability.

Our manufacturing process follows rigorous eco-friendly protocols, ensuring that each product is safe, durable, and environmentally non-toxic. We use renewable raw materials, like areca palm leaves and sustainably sourced wood, which are naturally biodegradable and chemical free. Each stage of production from sourcing to packaging is optimized for minimal environmental impact and maximum product quality.

At the core of our operations is a strong belief in building lasting relationships with our clients. We understand the unique needs of our diverse customer base ranging from restaurants and event planners to retailers and bulk buyers. Whether you need bulk orders or customized packaging, we are flexible, responsive, and focused on delivering exactly what you need, when you need it.
