About Us

We, Avante Medical Solutions Private Limited, are a rapidly growing manufacturer and supplier of premium quality orthopedic locking plates. With a commitment to innovation and excellence, we specialize in producing a wide range of orthopedic implants that meet the diverse needs of surgeons and patients nationwide. At our core, we prioritize patient well-being and strive to enhance their quality of life through our remarkable products. Our Orthopedic Locking Plate collection includes Distal Medial Humerus Plate, Distal Ulna Plate, 3.5Mm Dorsal Plate, Extra Articular Distal Humerus Plate, Olecranon Plate, and more. These precision-engineered plates provide optimal stability and facilitate the healing process.

Backed by a team of experienced engineers and technicians, we adhere to stringent quality control measures at every stage of production. From material selection to product testing, we ensure that each plate meets the highest standards of durability, and functionality. Our customer-centric approach extends beyond product excellence, as we strive to build strong and lasting relationships with our clients through exceptional client service, on-time deliveries, and personalized support.
