Agriculture Processing Machines Division

Global Leader in Next Generation Grains, Seeds and Beans Processing Machines

Salient Features

- Especially designed for processing raw cashew & almond nuts to remove impurities and improve product quality
- Effectively separates partially immature or broken material from unbroken material to ensure best quality of the final product
- Efficient control panel to set important operative parameters easily
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- World class bought out items for optimum operations
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Sturdy design to ensure long life and trouble-free operation

Our Range of Agro Processing Machines

- Rice Mill
- Grains Cleaning & Grading Plant
- Pulses / Lentils Processing Machines (Dal Mill)
- Almonds Nuts Processing Machines
- Beans Processing Plant
- Seeds Cleaning & Grading Plant
- Storage Silo
- Pouch Packaging Machines
- Bulk Bag Packaging

About Labh Group

Labh Group is a global engineering and technology-driven industrial conglomerate with headquarter in India. We provide complete end-to-end next-generation smart, innovative turn-key solutions to diverse industries across the globe. With **30+ years** of rich experience and presence in **100+ countries**, we have helped **10000+ customers** to excel and outperform in their industry.

Leveraging over an experience of around three decades, we continuously reinvent to help our customers achieve better results and create a more sustainable world for our current and future generations.

Living by our core values of excellence, respect, care and joy, we at Labh Group are committed to provide best advice, best quality products, at the best price with the best service, always!

We help our customers write their future!

We are LabhGroup!

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit
