Salient Features

- With digital temperature controller to monitor & control temperature of machine
- All contact parts are made from S.S-304 or food grade material
- With PLC & HMI touch screen control for perfect tuning of machine operation
- Efficient control panel to set important operative parameters easily
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- World class bought out items for optimum operations
- Efficient control panel to set important operative parameters easily
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Low maintenance and operating cost
- Sturdy design to ensure long life and trouble-free operation
