Solvent Oil Extraction Plant

Oil Mill Machinery Division

Global Leader in Next Generation Oil Mill Machinery

Technical Specifications

Particular	Specifications
Name	Solvent Oil Extraction Plant
Function	To extract oil from seeds, cakes & other sources using solvent
Capacity	Up to 500 Tons per day
Extraction Efficiency	95-98% oil extraction rate
Solvent Consumption	0.8-1.5 litres of solvent per kg of oil extracted
Raw Material	Oil seeds, oil cakes & other sources such as corn germ, rice bran etc..
Solvent Type	Hexane is commonly used, while other solvents like ethanol or isopropanol may also be used
Plant Processes	Preparation, extraction, distillation
Material of Construction	Stainless steel, Mild steel
Warranty	1+1 years extended warranty
Power Supply	440 Volts, 50 Hz, A.C., Three phase with neutral (can also be designed as per specific requirement)
Note	Exact specifications may vary and shall be made available upon specific request.

Salient Features

- Designed to extract oil from various seeds or plant materials using solvents
- Equipped with various equipment to ensure that the extraction process is efficient, safe, and capable of producing high-quality oil
- All machine motors are provided with overload protection safety
- Efficient control panel to set important operative parameters easily
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- Latest technology for better performance and improved efficiency
- World class bought out items for optimum operations
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Low maintenance and operating cost
- Sturdy design to ensure long life and trouble-free operation

About Labh Group

Labh Group is a global engineering and technology-driven industrial conglomerate with headquarter in India. We provide complete end-to-end next-generation smart, innovative turn-key solutions to diverse industries across the globe. With **30+ years** of rich experience and presence in **100+ countries**, we have helped **10000+ customers** to excel and outperform in their industry.

Leveraging over an experience of around three decades, we continuously reinvent to help our customers achieve better results and create a more sustainable world for our current and future generations.

Living by our core values of excellence, respect, care and joy, we at Labh Group are committed to provide best advice, best quality products, at the best price with the best service, always!

We help our customers write their future!

We are LabhGroup!

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit
