Hydraulic Deep Draw Press for Aerospace Industry

Metal Processing Machines Division

Global Leader in Next Generation Sheet Metal Machinery

Technical Specifications

Particular	Specifications
Name	Hydraulic Deep Draw Press for Aerospace Industry
Function	To form complex, high-strength sheet metal components with precision
Tonnage Capacity	50 ton to 1000 tons
Bed Size	1800 x 2500 mm (Customizable based on part size)
Deep Drawn Size	Up to 12 inches
Stroke Length	300 mm to 1000 mm
Material Thickness	0.3 mm to 5 mm
Suitable For	Fuselage panels, engine casings, and structural components
Main Motor	ABB - Switzerland or equivalent
Switch Gears	Schneider – France or equivalent
Warranty	1 +1 year extended warranty
Power Supply	440 Volts, 50 Hz, A.C., Three phase with neutral (can also be designed as per specific requirement)

Salient Features

- Specially designed to form complex, high-precision sheet metal components with stringent tolerances required
- Offers precise control over force, speed, and stroke length for high-quality, wrinkle-free parts with uniform thickness
- Processes high-strength, lightweight materials such as titanium, aluminum, stainless steel, Inconel, and other exotic alloys commonly used in aerospace
- Equipped with emergency stop buttons and safety guards to ensure safe operation in busy production environments
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- Latest technology for better performance and improved efficiency
- World class bought out items for optimum operations
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Low maintenance and operating cost
- Sturdy design to ensure long life and trouble-free operation

About Labh Group

Labh Group is a global engineering and technology-driven industrial conglomerate with headquarter in India. We provide complete end-to-end next-generation smart, innovative turn-key solutions to diverse industries across the globe. With **30+ years** of rich experience and presence in **100+ countries**, we have helped **10000+ customers** to excel and outperform in their industry.

Leveraging over an experience of around three decades, we continuously reinvent to help our customers achieve better results and create a more sustainable world for our current and future generations.

Living by our core values of excellence, respect, care and joy, we at Labh Group are committed to provide best advice, best quality products, at the best price with the best service, always!

We help our customers write their future!

We are LabhGroup!

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

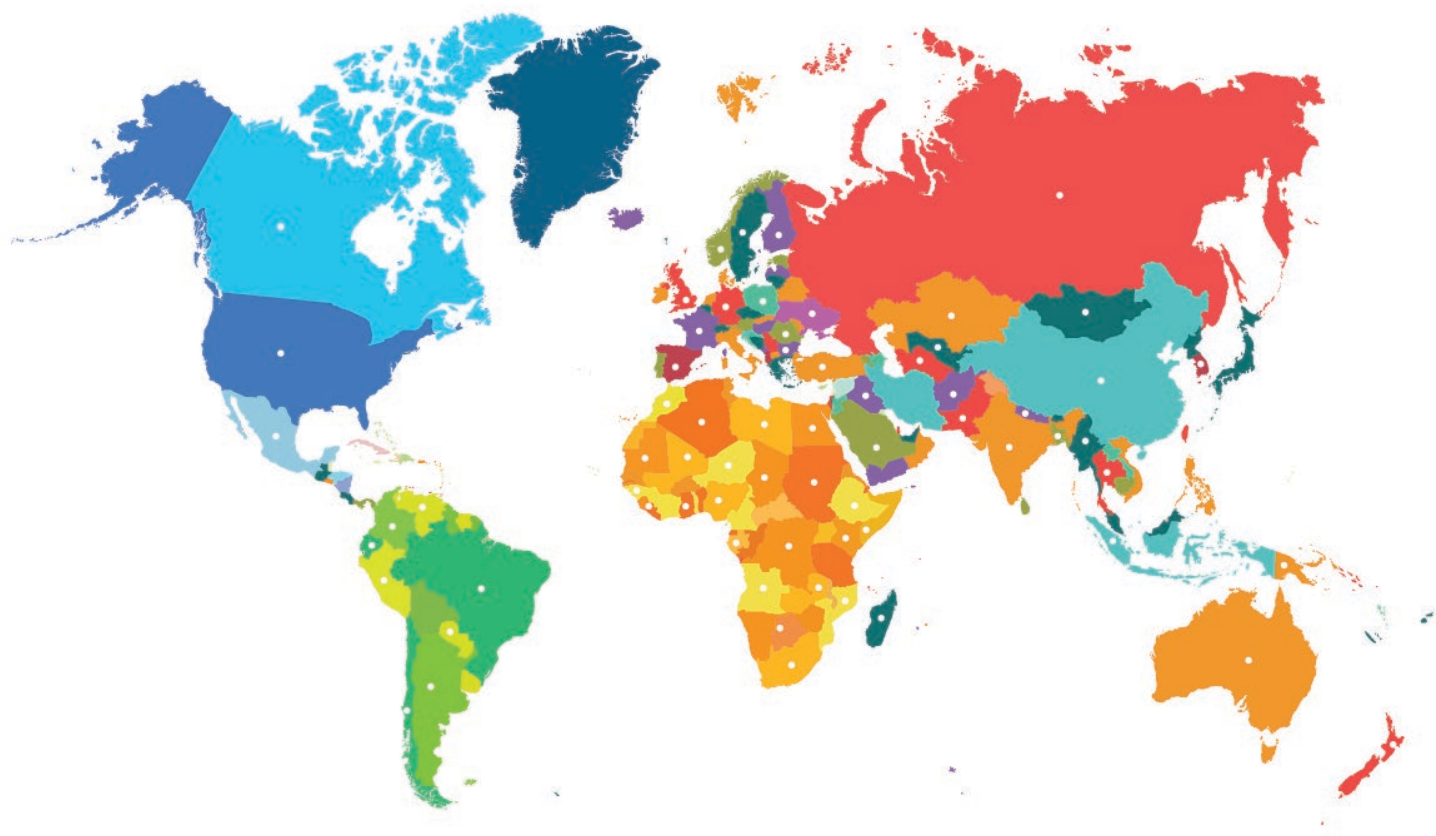

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit
