Technical Specifications

Particulars	Specifications
Name	Electrical Modular Box Making Machines
Function	To produce modular box from sheet metal by performing various operations
Automation Grade	Automatic / Semi-automatic
Production Speed	Up to 1500 pieces / 8-hrs shift
Raw Material	Galvanized Iron (GI) sheet
Box Shape	Rectangular, Square
Box Size	Customizable
Mounting Type	Wall Mounting
Man Power Requirement	Up to 5
Application	For housing electrical, electronic, or mechanical components
Ancillary Equipment 1	Voltage stabilizer
Ancillary Equipment 2	Power generator

Main Motor	Siemens, Japan or equivalent
Gear Box	Bonfiglioli – Italy or equivalent
Switch Gears	Schneider – France or equivalent
Warranty	1 +1 year extended warranty
Power Supply	440 Volts, 50 Hz, A.C., Three phase with neutral (can also be designed as per specific requirement)
Working Temperature	-10 °C to 40 °C (14 °F to 104 °F)
Working Humidity	Up to 90 percentage
Noise Level	Up to 80 dbA
IP Protection Class	IP54
Working Hours	24 hours per day
Note	Exact specifications may vary and shall be made available upon specific request.

Salient Features

- Die set are produced with high quality material for long life and precise pressing of material
- Presses are typically built with heavy-duty frames, reinforced structures to withstand the pressures and forces involved in the different processes, ensuring long-term reliability and stability
- Built with durable components and reliable performance to ensure consistent production and minimize downtime.
- Designed with energy-efficient technologies, such as motor controls or power-saving features, to reduce energy consumption which saves cost
- Efficient control panel to set important operative parameters easily
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- World class bought out items for optimum operations
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Sturdy design to ensure long life and trouble-free operation

About Labh Group

Labh Group is a global engineering and technology-driven industrial conglomerate with headquarter in India. We provide complete end-to-end next-generation smart, innovative turn-key solutions to diverse industries across the globe. With **30+ years** of rich experience and presence in **100+ countries**, we have helped **10000+ customers** to excel and outperform in their industry.

Leveraging over an experience of around three decades, we continuously reinvent to help our customers achieve better results and create a more sustainable world for our current and future generations.

Living by our core values of excellence, respect, care and joy, we at Labh Group are committed to provide best advice, best quality products, at the best price with the best service, always!

We help our customers write their future!

We are LabhGroup!

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

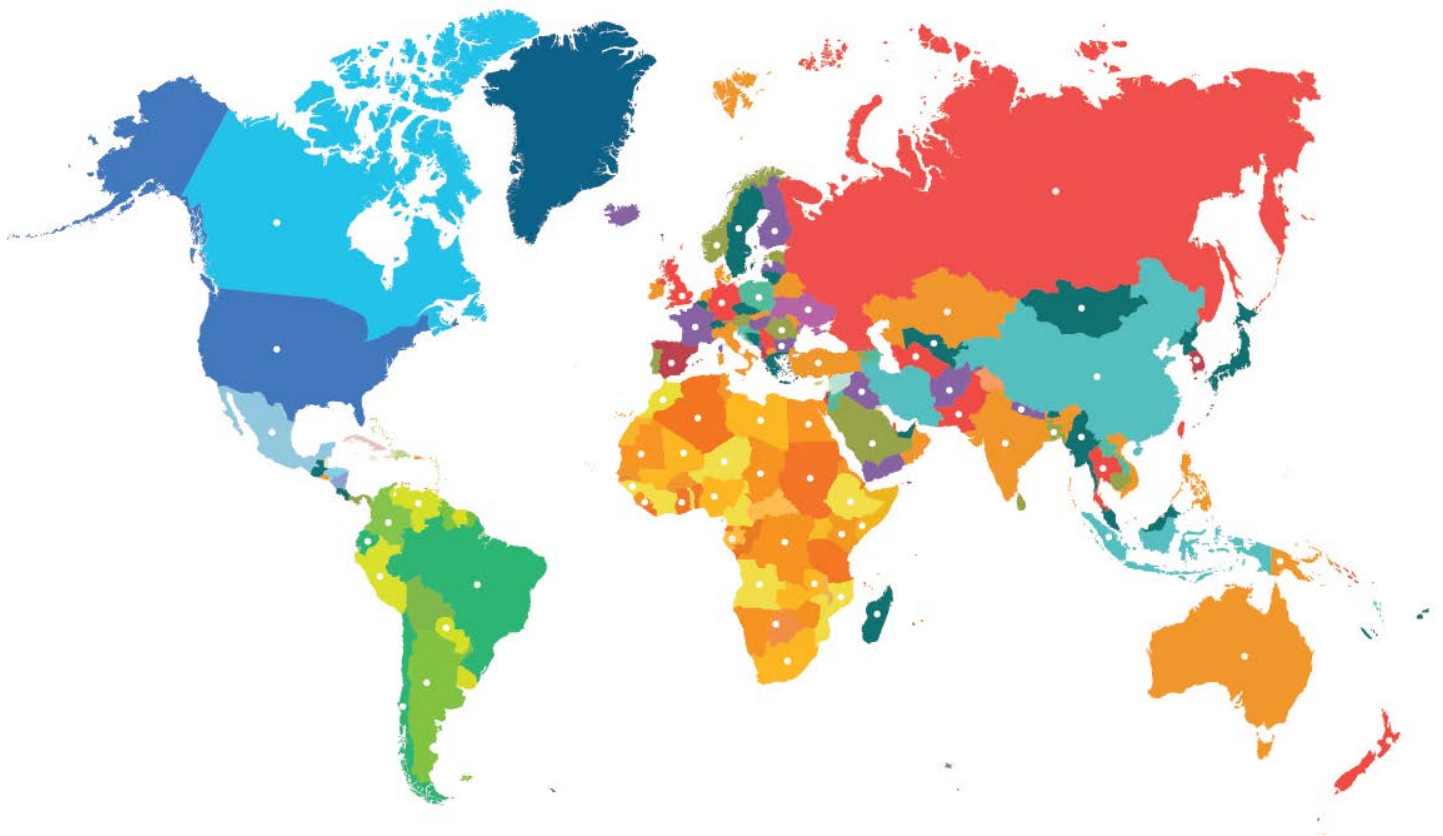

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit
