Technical Specifications

Particular	Specifications
Name	Mash Potato Making Machine
Capacity	50 kg/hr to 1000 kg/hr
Machine Type	Batch or continuous operation
Motor Power	1 HP to 15 HP
Material	Food grade stainless steel SS304
Heating System	Steam, electric, or gas powered
Potato Input Type	Peeled or unpeeled
Output Consistency	Fine, medium, or coarse mash
Processing Temperature	80°C to 100°C
Hopper Capacity	20 kg to 200 kg
Power Supply	440 Volts, 50 Hz, A.C., Three phase with neutral (can also be designed as per specific requirement)
Note	Exact specifications may vary and shall be made available upon specific request.

Salient Features

- Designed to cook, mash, and process potatoes into smooth, uniform mashed potatoes efficiently
- Widely used in food processing units, hotels, restaurants, ready-to-eat meal industries, and large-scale catering setups
- Ensures consistent texture, reduces labor requirement during potato processing
- Stainless steel construction for hygiene and durability
- Compact design suitable for commercial kitchens and factories
- Aesthetically and ergonomically build machine for best performance
- Produced in an advanced state of the art manufacturing facility
- World class bought out items for optimum operations
- Designed to work 24 hours, round the clock
- Operator friendly machine, hence easy to operate and maintain
- Low maintenance and operating cost
- Sturdy design to ensure long life and trouble-free operation

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

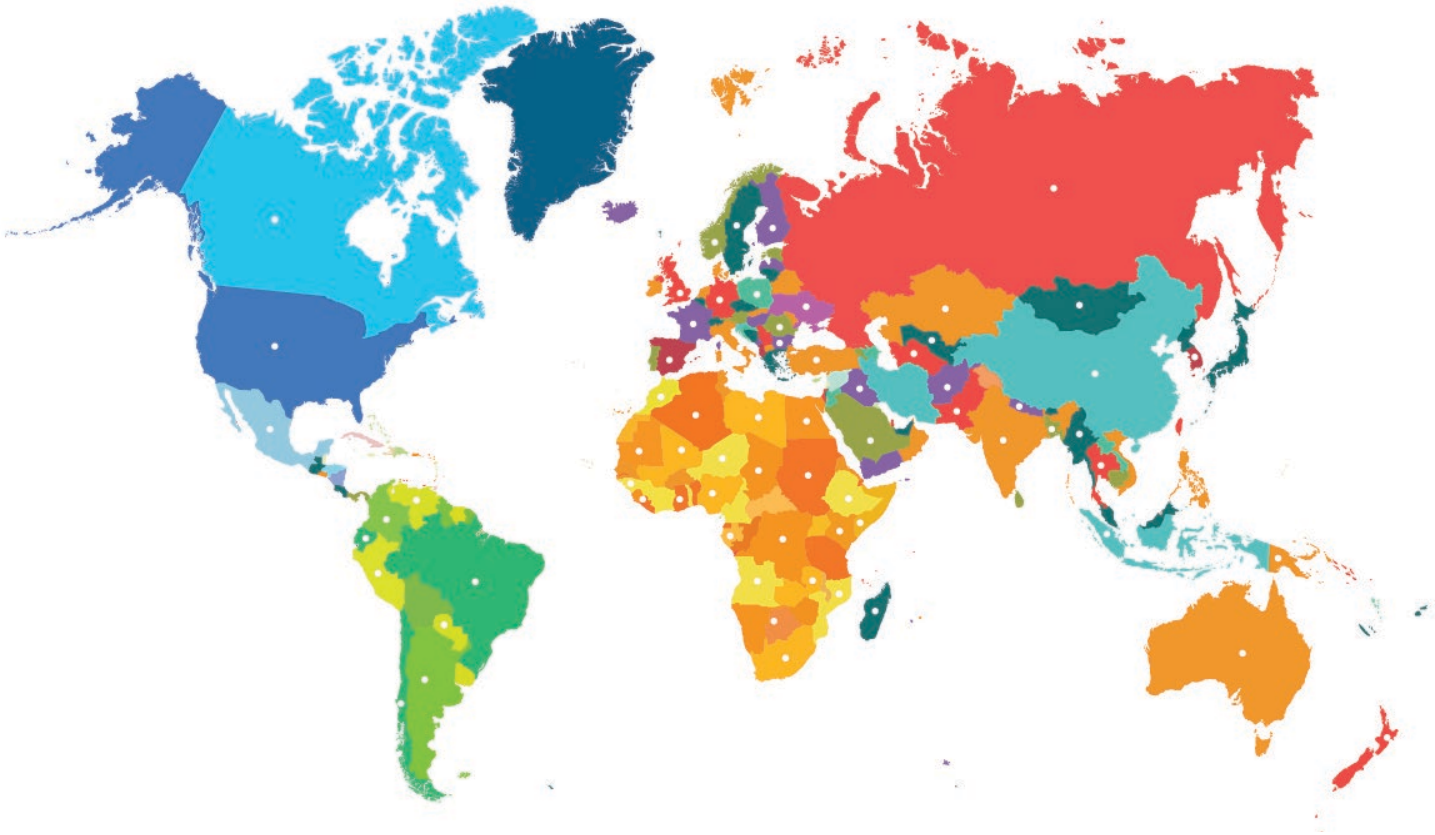

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit

Our Global Presence

30+
Years of rich experience

100+
Countries - Global presence
