Global Leader in Next Generation Chemical Processing Plant & Machinery

ISO 9001:2015 CERTIFIED | ISO 14001:2015 CERTIFIED | European Coformity CE Certified Products | Good Manufacturing Practice Certification GMP Quality | Executive Member FIEO Federation of Indian Export Organizations

Technical Specifications

Particular	Specifications
Name	MS Glass Lined Reactors
Function	In industries for various processes such as mixing, blending, heating, cooling etc.
Volume	63 to 32000 litres
Body MOC	Mild steel with internal glass lining
Reactor Type 1	CE type reactor
Reactor Type 2	AE type reactor
Jacket Type	Conventional, Spiral & limpet coil
CE Type Reactor Volume	1600 to 32000 litres
AE Type Reactor Volume	63 to 12500 litres
Drive Power	Up to 80 HP
Warranty	1 +1 year extended warranty
Note	Exact specifications may vary and shall be made available upon specific request.

Salient Features

- Widely used in the chemical, pharmaceutical, and food industries for various processes such as mixing, blending, heating, cooling, and chemical reactions
- Combine the strength of mild steel with the corrosion resistance of a glass lining, providing a versatile and durable solution for a wide range of applications
- Available in various configurations, including jacketed reactors, half-coil reactors, dimple jacket reactors etc. to accommodate different heating and cooling requirements
- Offered in a wide range of sizes and capacities, from small laboratory-scale reactors to large industrial reactors, to meet specific production needs
- Aesthetically and ergonomically build machine for best performance
- Latest technology for better performance and improved efficiency
- Produced in an advanced state of the art manufacturing facility
- Low maintenance and operating cost
- Sturdy design to ensure long life and trouble-free operation

About Labh Group

Labh Group is a global engineering and technology-driven industrial conglomerate with headquarter in India. We provide complete end-to-end next-generation smart, innovative turn-key solutions to diverse industries across the globe. With **30+ years** of rich experience and presence in **100+ countries**, we have helped **10000+ customers** to excel and outperform in their industry.

Leveraging over an experience of around three decades, we continuously reinvent to help our customers achieve better results and create a more sustainable world for our current and future generations.

Living by our core values of excellence, respect, care and joy, we at Labh Group are committed to provide best advice, best quality products, at the best price with the best service, always!

We help our customers write their future!
We are LabhGroup!

8 Outstanding benefits our customers enjoy

1. Expert guidance

Get the best advice from our experts to help you make the right decision

2. Complete turn-key Solutions

Our state of the art end to end one stop 360 turn-key solutions for smooth execution

3. Most competitive price

Very reasonable price for a long term win-win partnership

4. Best quality machines

Optimally designed high quality machines for best performance and long working life

5. Installation & Commissioning

Smooth and perfect installation by our expert technician at your site

6. Automation and upgradation

Increase productivity & profitability with our advanced technology

7. Knowledge Sharing

Stay ahead of your competitors with our latest industry development and trend mailers

8. Lifetime Support

Prompt and efficient after-sales support by our dedicated technical team through email, call or site visit

Our Global Presence

30+
Years of rich experience

100+
Countries - Global presence
