About Us

We, Rram Business Corp, have been a reputable manufacturer, supplier, and exporter of a wide variety of napkin incinerators and vending machines since 2018. We have products like Automatic Sanitary Napkin Vending Machine, Manual Sanitary Pads Vending Machine, Diaper Incinerator Machine, Face Mask Incinerator, Bio Medical Waste Incinerator, and more in our product line. Along with this, our equipment is praised for its durability, excellent performance, low maintenance requirements, and long lifespan.

With the goal of having production activities that are trouble-free, our company has a very sophisticated infrastructure unit. With our quality-products, we strive to satisfy our customers as the client-centric organization that we are. In addition, we have a manufacturing division where a team of skilled specialists meticulously designs the serviette incinerator and vending machines. Additionally, customers were really satisfied with our items due to which they choose us again and again. We were mentored by an experienced professional, who helped us attain these heights. For our hard-work, dedication, and commitment to quality we also received certificate of compliance from the respected body.
