About Us

Focet Valves Pvt. Ltd. is a distinguished manufacturer, supplier, and exporter of industrial valves based in Gujarat. Our product range includes Ball Valves, Fabricated Y Type Strainer, Forged Steel Lift Up Check Valve, Diaphragm Valve, Single Sight Glass Valve, and more.

Various grades of steel casting, stainless steel round bars, forgings, hardware components (including nuts and bolts), gaskets, paints, and packaging materials are essential for the manufacturing process of industrial valves. All raw materials are sourced from approved suppliers. Before being integrated into the manufacturing process, all raw materials undergo thorough examination by our internal quality assurance department. We are committed to producing high-quality industrial valves utilizing only premium raw materials. In cases of rejection, these materials are returned to the supplier accompanied by a Goods Inspection Report (G.I.R.) note.
