About Us

CMP Roto is an ISO 9001:2015 certified manufacturer, exporter, and supplier of SS Cooler Body Rotational Mould, Toilet Seat Rotational Mould, Ice Box Rotational Mould, Toys Rotational Mould, SS Flower Pots Roto Mould, and many more products. Located in Ahmedabad, the company built a great reputation in the market in just a few years. With an excellent grip on technology and production, we have acquired a specialty in manufacturing various molds that are used in the production of a large number of products. We are a close-knit team with a highly professional business approach. The streamlined processes coupled with efficient devolution of responsibilities help us to accomplish our business targets in the best possible way.

Ventured into the business in 2020 in Ahmedabad, we, CMP Roto, have emerged as a successful manufacturer, exporter, and supplier of an exceptional range of products, such as Closed Oven Roto Moulding Machine, Rotational Moulding Machine, Vertical Water Tank Mould, Loft Water Tank Mould, Water Tank Roto Mould, and various others. We have outstanding knowledge of molding technology which enables us to manufacture molds with precise dimensions, durability, and long service life. Located in Ahmedabad, we have slowly expanded the business to other locations in the state of Gujarat.

Since its inception, we have been working with a complete focus on customer satisfaction. This business approach has created great value for our enterprise. The customers trust our production ability, and those who do business with us are always inclined to place repeated orders if requirements emerge.
