About Us

Quality Dairy Farm is a name that is trusted in the cattle and dairy industry. We provide massive help to individuals as well as cattle experts, working in both these industries. Since 2000, we have been winning the hearts of many through our offered collection of healthy Buffaloes as well as Cows. The breeds that we offer are considered the best. To provide maximum benefits to clients, we price our dairy animals in a reasonable manner at all times. Further, the offered **Black Indian Murrah Buffaloes, Dairy Murrah Buffalo, Kankrej Cow, Dairy HF Cows, Dairy Jersey Cows, Dairy Sahiwal Cows**, etc., are approved by qualified veterinarians. Only the healthiest dairy animals are presented under our name. This focus on providing the best has made our enterprise a leading **trader and supplier** of the country.

Our company not just offers the customer desired dairy animals but also renders top class client services. Through the support of these services, we render great help to clients as well as resolve all their queries in a timely manner.

Our enterprise, Quality Dairy Farm, is considered a highly trustworthy name in the market. We have gained such a positive image in the country due to our constant promise of delivering healthy Cows & Buffaloes at clients doorsteps. From Karnal, Haryana, India, we are busy in meeting high clients expectations and making swift deliveries of fit Dairy Sahiwal Cows, Dairy Jersey Cows, Dairy HF Cows, Black Indian Murrah Buffaloes, etc. Skilled veterinarians constantly educate our company regarding the perfect living conditions required for maintaining the health of cattle. We listen to them and maintain utmost hygienic conditions and provide maximum comfort to our dairy animals and complete peace of mind to buyers.
