## About Us

We, SK Engineering & Equipments have successfully become a leading manufacturer, supplier, wholesaler and service provider of various technically advanced solutions despite our incorporation in the recent year 2020. For acquiring a wide client base we have focused on providing our customers with the optimally performing machines & equipment. All our solutions including Two Post Car Lift, Compressors, Two Wheeler Ramp, High Pressure Car Washers, Hydraulic Pallet Trolley, Stackers, Fork Lifts, etc., are of the highest quality and are distributed to customers at the most affordable market value. In addition to offering quality-assured product range, we also ensure that the way we conduct business with the clients remains ethical and completely transparent.

Given the most recent launch of our company, SK Engineering & Equipments in the market, we have been sufficiently effective in emerging as a respectable entity selling the best quality of products. In our facility located in the industrially growing city of Coimbatore, Tamil Nadu, India, the finest quality of products such as Double Scissor Lift Table, Electric Hydraulic Press Machine, Hydraulic Pallet Truck, Hydraulic Press Machine, Hydraulic Car Washing Jack, Battery Operated Pallet Truck and many others, are produced precisely. Our collection is extensively used and rendered as per the specific needs of the customers. In addition, we ensure sound business practices when serving the customers, which is why we have become a well recognized brand in the industry.
