About Us

There are numerous companies, which claim to fulfill the demands of qualitative products in a huge quantity. But not all of such business units manage to turn this claim into reality and effectively deliver quality & quantity at the same time. Marutikrupa Traders belongs to the list of those few companies, which are perfectly meeting requirements pertaining to quality products in a large number. From 1992, we, as a manufacturer and trader have been serving Drill Machine, Wood Cutter Blade, Wood Cutter Hand Blade, Vacuum Cleaner, Vibrator Shaft, etc.

We have maintained our respected position in the market due to ethical work. We are procuring quality-base materials from reputed vendors to fabricate aforementioned product line that is supreme in look, design and structure.
