About Us

Stepped into the business in the year 2020, we, Divine Industries, have emerged as one of the top manufacturers and suppliers in the industry. We work hard to meet the demands of a wide customer base for precisely designed decorative items. The products we offer include Brass Decorative Bowls, Brass Designer Trees, Decorative Birds, Brass Lotus Flowers, and others. Manufactured with utmost perfection, all our products represent intricate designs and superior quality. Each of our products is worth purchasing. None of them disappoints the customers. Thus, this is the reason why we are leading the market as one of the most preferred options.

Divine Industries is a Ludhiana (Punjab, India)-based leading company engaged in manufacturing and supplying an exclusive range of Brass Lotus Flowers, Decorative Birds, Brass Designer Trees, Brass Decorative Bowls, and other products. We specialize in a comprehensive range of decorative products. All our products are manufactured in compliance with industrial standards and norms. Each of them is of premium quality. Furthermore, our products represent meticulous craftsmanship and exceptional durability. The extraordinary attractiveness of the products is another feature that compels customers to choose us. Our products have captivating looks, intricate designs, and are available in varied colour schemes at never-seen-before prices. We purposely price our products as per the industry-leading rates to ensure that they reach a wider audience.
