About Us

We, M-Tino Furniture, are known manufacturer and supplier of beautifully designed furniture that strikes a perfect balance between form and function, enriching homes and workplaces. From our primary productions of high-quality Book Shelves, Chest Drawers, Corner Shelves, Dressing Tables, and Office Tables, we perfectly blend the old crafts with modern design policies. One of the things we guarantee is quality commitment: Each product will reflect our attention to detail, premium quality materials, and high excellence; it will be stylist, strong, and durable. We strive to make pieces that reflect your personal style and maximize space efficiency. We are staffed by an in-house designing and artisan team that, together with us, innovates and adapts our products to constantly stay ahead of the curve while providing solutions.

M-Tino Furniture is a distinguished manufacturer based in specialized in high-quality furniture based in Malappuram, Kerala, India, designed to elevate both functionality and style in any environment. Our extensive product range includes Wooden Wardrobe, Wooden Bed, Study Table, Shoe Rack, etc. all crafted with precision and care. With a commitment to using premium materials and innovative design techniques, we ensure that each piece not only meets the highest standards of durability but also enhances the aesthetic appeal of your space.
