About Us

The electrical industry is always expanding, especially in these times of significant technological advancements. We started our company, Chauhan Electricals & Electronics System in the year 2021 with the goal of providing cutting-edge items to the electrical sector. We have been operating as a supplier, trader and wholesaler and providing a wide selection of electrical products. We provide Omron E3Z-R66 Photoelectric Sensor, Omron E2B-M12KS04-M1-C1 Proximity Sensor, Omron Electronic Timer, PF083A Relay Base, Omron CP1E-N60DR-A PLC, Omron S8VK-C48024 SMPS Power Supply, and a range of other goods in the industry. Once the products are procured from the leading vendors of the industry, we guarantee that all of them are precisely tested. In addition, we remain highly respectful and honest when conducting business with customers.

Electrical products play a crucial part in making various industrial processes easier. We, Chauhan Electricals & Electronics System are a well-known firm that sells a number of electrical equipment for usage in a variety of industrial situations. Our huge selection includes goods such as Omron K8AK-PH1 Phase Loss Relay, H3CR-A8 Electronic Timer, Omron WLCA12 Limit Switch, Omron E5CC-RX2ASM-800 Temperature Controller, Autonics BEN10M-TFR Photoelectric Sensor, Omron CP1E-E40DR-A PLC, and others. In our facility which is situated in the city of Gurugram, Haryana, India, we obtain these high quality electrical goods from top vendors and provide them to customers in a timely manner. In addition, when interacting with the customers, we are always friendly and courteous.
