About Us

We at **Mintree Premier Lifestyle & Beauty Pvt. Ltd.** have been regarded as the most reliable & environmentally-friendly beauty products supplier across the world. By working as a manufacturer and exporter, we have been supplying the most effective self-care products that are processed as raw as possible and as untouched as they can be. Our sole intention is to connect with mother nature for crafting safer self-care and personal protection products. By utilizing quality assured natural ingredients that have immense healing powers, we have been creating the finest exotic extracts for preparing our Manicure Pedicure Kits. Our offered range of **Intense Detox Manicure Pedicure Kit, Tata Tan Manicure Pedicure Kit, Hand Sanitizer Spray, Mintree Fragrance Hand Sanitizer, Antiseptic Hand Sanitizer** and other items has been considered as an impressive amalgamation of the best of science and the best of nature. Furthermore, all we seek for is enhanced self-care and personal protection of consumers in the Indian as well as foreign markets.

By combining Nature, Science and Sustainability, we are bringing supreme grade of self-care products for the customers. Through our extensive range, we are striving to maintain the symbiotic relationship between man and nature. For making the world a better place, we are keeping our extracts pure, our intentions clear and our methods clean. Our approaches are feasible environmentally because we keep them Natural, Vegan, Sulphate Free, Silicone Free, Paraben Free, Cruelty Free, Formaldehyde Free, etc.
