WHAT WE DO?

To provide a strong quality product & a brand dedicated to service in the domestic & international market.

Vision

Our vision is to be the world leader in replacement market of auto parts and related services. We will earn our customers enthusiasm through continual improvement driven by integrity, team work and innovation.

Mission

Our team is dedicated to provide world class product quality and services so that customer will earn maximum value, while our employees and business partners will share in our success.

Quality Policy

"Quality is never an accident" it is result of latest technology, continous improvement & intelligent efforts. Amra team is committed to achieve customer satisfaction by developing and manufacturing precise automobile spare parts through Quality Management System and continual improvement.

Environment Policy

We recognize our responsibility to the Environment and are committed to implementation of practices that will promote environmental compatibility and prevention of pollution. We will continually improve environmental management activities and processes and evaluate technologies to meet or exceed environmental compliance with all relevant laws, regulations and other requirements, as well as promote conservation of natural resources.
