

# Extrusion Plant

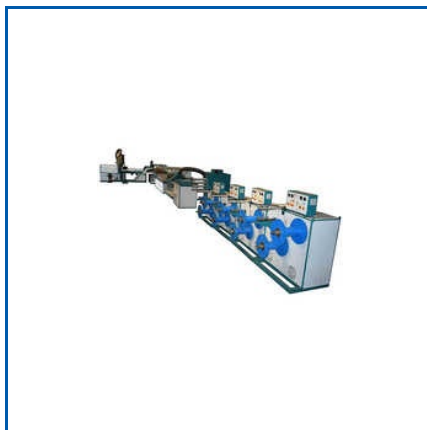

Customer faith well-kept  
for lifetime.

12 To 24 mm Rope Making Machine, 2 To 6mm High Speed Rope Making Machine, 4 to 8 mm Rope Making Machine, 6 To 12mm Fully Electronic Automatic Rope Making Machine, 8 to 16mm Plastic Rope Making Machine, Bobbin Winding Machine, Cops - Pineapple Winding Machine, HDPE Monofilament Extrusion Plant, Industrial Bobbin Winding Machine, Inflow Twister Machine, etc.

**PET MONOFILAMENT EXTRUSION  
PLANT**

**HDPE MONOFILAMENT EXTRUSION  
PLANT**

**NYLON MONOFILAMENT EXTRUSION  
PLANT**

## About Us

Since our inception in 2007, Shreeji Engineering has been a trusted name in the manufacturing industry, specializing in the design and production of precision-engineered machinery. Headquartered in Bhavnagar, Gujarat, India, we are a trusted Manufacturer, Exporter, and Supplier of cutting-edge equipment for the plastic and monofilament industry. Our product range includes Nylon Monofilament Extrusion Plant, Plastic Rope Making Machine, Hdpe Monofilament Extrusion Plant, Industrial Bobbin Winding Machine and Cops Winder Machine, each designed to meet the evolving needs of modern industry standards. We are committed to delivering technologically advanced machinery that ensures optimum performance, durability, and efficiency. Our mission is to continually innovate and support industries across the globe with reliable and cost-effective engineering solutions.

We have built a solid reputation for delivering machines that are not only reliable and efficient but also tailored to meet the specific needs of our clients worldwide. With a global reach and a commitment to continuous improvement, we stand as a trusted partner in industrial machinery solutions. With years of industry experience, we bring in-depth technical knowledge and a focus on quality to every product we manufacture. Every machine that leaves our facility reflects precision engineering, robust construction, and attention to detail. We work closely with our clients to understand their unique production requirements and provide customized solutions that enhance their operational capacity and productivity.

## Key Facts

**OEM Service Provided**

No

## Our Products

**Bobbin Winding Machine**

**Online Coil Winding Machine**

**Yarn Twisting Machine**

**Industrial Bobbin Winding Machine**

**PP-HDPE Monodanline Extrusion Plant**

**PP-HDPE Tape Fibrillated Extrusion**

**Twisting Machine**

**PET Bristle Monofilament**

**Textile Bobbin Winding Machine**

**4 To 8 Mm Rope Making Machine**

**8 To 16mm Plastic Rope Making Machine**

**6 To 12mm Fully Electronic Automatic**

**12 To 24 Mm Rope Making Machine**

**Online Bobbin Winding Machine**

**Multi Spindle Fishing Bobbin Winder**

**2 To 6mm High Speed Rope Making Machine**
