About Us

We, Vajra Sports, are one of the prestigious companies offering a wide range of Kit Bags, Cricket Bats, Batting Gloves, Thigh Guards, Batting Pads, etc. We operate as a manufacturer, supplier, and trader of the aforementioned range of products. Incorporated in 2018, we have expanded our reach from Meerut, Uttar Pradesh to pan India within a brief span of time. This has been made possible because of our dedicated team members whose expertise and knowledge in their specific fields are commendable. Moreover, we have installed advanced and efficient machinery and tools for the quick manufacturing of top class products.

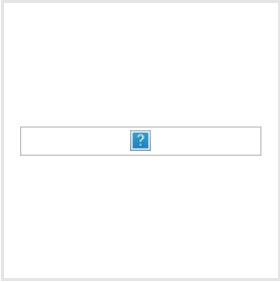

In order to deliver quality sports items, we use the highest-grade materials comprising wood, fabric, plastic, etc., that are procured from reputed suppliers in the industry. We consider certain parameters prior to selecting a supplier for our business as we understand the importance of reliability as far as business activities are concerned. Therefore, we evaluate suppliers on the basis of their work culture, transparency in dealings, capacity to fulfill bulk orders, timely delivery, etc. Because of this approach, we are able to impart top notch quality in our products right from the start.
