About Us

Gouri Enterprises is a leading Indian company dedicated to providing reliable and innovative solutions in the field of Motion Control Equipment and Industrial Automation. With over 26 years of industry experience, we have established ourselves as a trusted supplier and service provider for a wide range of industrial applications. Our extensive product portfolio includes PMDC Motor, Bevel Helical Gearbox, AC Drives, Nmrv Gearbox, and various automation solutions designed to enhance operational efficiency and productivity.

Headquartered in Faridabad, Delhi NCR, Gouri Enterprises was founded by visionary professionals with strong technical expertise and a commitment to excellence. Their knowledge, experience, and customer-focused approach have been instrumental in the company's continuous growth and success. To serve our customers more effectively, we maintain a strong presence across the Delhi NCR region with branches in Faridabad, Gurugram, Delhi, and Noida. In addition, our dedicated team of representatives provides prompt support and technical assistance to customers throughout India. We are committed to delivering quality products, customized solutions, competitive pricing, and exceptional customer service. Our focus on innovation, reliability, and long-term customer relationships has enabled us to become a preferred partner for industries seeking dependable motion control and automation solutions.
