About Us

Introducing our esteemed clients and our budding company, Fly Ostrich Recycling Private Limited. We deal with the delivery of recycled plastic products. Our offered products include items like Agro Recycled Granules, HM Agro Recycled Granules, LDPE Raw Recycled Granules, Industrial LDPE Recycled Granules, and more. We are known in the market as one of the most trusted manufacturers and suppliers of the above-mentioned items. Made using recyclable and high-quality raw materials, the quality of these products is unlike that of any other in the industry. We procure the raw materials from the most trusted vendors in the market. These people are chosen carefully considering various factors, such as the quality and price of their products, the time frame in which they deliver these items, and the way they conduct their business policies. All the products that we supply are available for our customers at competitive market prices. Our logistics and delivery team ensures timely delivery of all projects.

Since 2023, our company, Fly Ostrich Recycling Private Limited, has been conducting its business operations out of Ghaziabad, Uttar Pradesh, India. We are known to manufacture and supply products like HM Agro Recycled Granules, Agro Recycled Granules, LDPE Raw Recycled Granules, Industrial LDPE Recycled Granules, and more. Our company was founded with the aim of offering our customers a sustainable range of quality products. In addition to the timely delivery of these products, we make sure that their quality is on par with international standards. We are capable of catering to the bulk and urgent requirements of our products without compromising on their quality. Going further, we aim to thrive in this industry and stay for a long time, and for that, we are never afraid of putting in the needed hard work.
