

Indoor Planter & Foliage Botanical Spec Sheet

Multi-Angle Layout & Specimen Observation (1000x1000 Pixel Grid)

Perspective & Botanical Analysis

View Identifier	Perspective Label	Botanical & Structural Description
A	Overview	Detailed angled view capturing the glossy white spherical planter and lush frond overhang.
B	Side Profile	Clean lateral profile showing the smooth vessel contour and protruding green foliage.
C	Top-Down	Orthogonal overhead perspective illustrating the dense radial growth pattern inside the round planter.
D	Stalk Base	Close-up botanical shot of the bamboo stalks, emerging shoots, and soil surface layer.
