Modular Multi-Stream Recycling Bin

Product Multi-Angle Specification Sheet (1000x1000 Pixel Grid)

Design Specification & Views

View Identifier	Angle Description	Key Visual & Functional Characteristics
A	Front View	Displays the three distinct waste compartments: Green (Rifiuti/ Waste), Blue (Plastica/Plastic), and Grey/White (Carta/Paper).
B	Three-Quarter Angle	Highlights the modern architectural profile and urban integration within a contemporary building plaza setting.
C	Rear View	Shows the clean, uniform metallic rear panel suitable for freestanding or open-space placement.
D	Side View	Demonstrates the slim profile, ergonomic height, and robust powder-coated frame construction.
