About Us

Grassply holds a reputation in the market as a leading manufacturer and supplier of Flooring Tiles, Bamboo Flush Door, Brown Bamboo Mat Board, Roof Bamboo Mat Board, Dynamic Bamboo Ply, and more. Our range of products is widely used in the construction business. Made using premium-grade raw materials, our items are known to be of high quality. They are highly appreciated by our customers for their long shelf life, durability, immaculate construction, and other physical features. Our products are known to be highly reliable. They are available for our customers at market-leading costs. Moreover, our strong logistics and delivery team helps us ensure that all the products reach our clients in a timely manner and without any sort of deformation.

Our team of experts works day and night to ensure that all the projects that come our way are completed well within the stipulated time frame. We have recruited these people after thorough market research and allocated them to different teams based on their experience and expertise. Our professionals are provided training from time to time to keep them updated with the latest market trends. Our customer support team helps us maintain cordial relationships with our clients. This is done by updating them on their project progress, maintaining transparency in business dealings, and solving any queries or concerns they might have.
