About Us

Engineering industry has a lot to offer its customers, ranging from conveyors to machines, appliances to many other equipment. However, not every engineering business has the capability of engineering all the equipment on their own. Some lack investment, some lack good material, some lack a good team and some good skills. But when it comes to Hindustan Engg. Point, we have got every resource that is required to bring forth a wide variety of engineered equipment. Sticker Labeler Machine, Hologram Applicator, Labeling Machines, Automatic Sticker Labeling Machine, Round Bottle Labeling Machine, Automatic Label Applicator, Flat Bottle Turn Table are a few of our most demanded products.

Our skills, experience and knowledge have made us earn a strong reputation as a manufacturer and supplier in this domain. And we promise to work with the same zeal in the future, as well. Our large customer base with names like Lotus, Venus, Loreal, Timex, Saint Gobain, Ultra Green and KK Herbal, is an evidence of our continuous evolution with the changing market trends, technologies and customer requirements.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	bottle sticker labeling machine,
No of Staff	30
Year of Establishment	2020
