About Us

Established with the aim of delivering robust infrastructure and secure fencing solutions, J P Construction is a trusted manufacturer, supplier, and service provider in the construction and fabrication domain. We specialize in the production and supply of Prefabricated Cattle Sheds, Chain Link Fencing, TATA Chainlink Mesh, Barbed Wire, Fencing Wire Mesh, and Galvanized Iron Wire, catering to both urban and rural infrastructural needs.

In addition to our product offerings, we also undertake key projects like RCC Road Construction Work, Prefabricated Showroom Structure Development, MS Structural Fabrication Services, and Injection Waterproofing Services. Our core values revolve around strength, safety, customization, and long-term durability, making us a dependable partner for industrial, agricultural, and commercial clients.
