About Us

Jupiter Metal Industries is an ISO 9001:2008 Certified Company engaged in manufacturing comprehensive range of MCI Pipe Fittings for diverse industrial sectors. We are engaged in designing and development of G I Pipe Fittings, Reducing Tee, Concealed Tee, CP Bath Fittings, Brass Ball Valves, PTFE Thread Seal Tape and BIB Tap as per the application in water, oil, and gas industries. Owing to advanced technological knowledge and extensive experience, we have been able to create our brand name "KIRTI", a very familiar name in the industrial segment. Our Pipe Fittings are developed with beaded ends and plain ends in galvanized and black range wherein sizes varying from 1/8 to 6.

As a leading organization, we provide Malleable Iron Hot Dip Galvanized Pipe fittings of highest standard and accurate fitting across the country since 50 years. The fitting that we offer is suitable for Fire Fighting system & Plumbing system thereby catering to the requirement of Power, Water Plants, Gas Distribution Projects, and others. Our in-house Galvanizing, Casting, Machining, and Testing Facilities enable us to come up durable and technically advanced range of products for the clients belonging to Private and Public Sector Undertakings. Our constant efforts results in high level of services and 100% customer satisfaction.

With our extensive exposure in supplying Malleable Iron Hot Dip Galvanized Pipe Fittings to Water Boards, CPWD, Power Plants, DGS & D, and others. We also serve prestigious organizations such as IGL, NTPC, BHEL, IOCL, and so forth.

Quality Policy / Processes

Our Quality Policy is based on stringent measures that help us to design and develop premium quality Pipe Fittings. Our Pipe Fittings are precise blend of innovation, technology, and excellence and all the products are passes stringent quality test before being delivered to the clients.

Quality Assurance

Quality reflects the image of the company. In this competitive and challenging industry, we have taken several years to establish ourselves as a quality-oriented company meeting the demands of top notch private and government undertakings. We have also acquired I.S.O 9001 which is the evidence of our superior grade products.
