About Us

We started our company, S.V. Packagings, after noticing a consistent need for various packaging solutions and decided to present our extensive product line to the market. Since the year 2020, when we initially opened our business, we have been a well-known manufacturer, supplier, trader and wholesaler of high-quality packaging solutions. Our broad assortment includes HDPE Pesticide Bottle, PET Pesticide Bottle, Aluminium Pesticide Bottle and others, all of which are priced nominally. Our products are prepared using the highest-quality raw materials to ensure that they meet the strictest quality standards, and they are only then approved for distribution to the right customers. In addition, we always focus on being highly respectful and sincere whenever conducting business with the

We have in-house manufacturing for HDPE and PET bottles and Jar and Inducting moulding articles, so that we can cater the custom needs of our customer. We also deal in packaging solution for household, pharma and cosmetic industry.
