## About Us

Upadhye And Sons, established in 1967 in Kolhapur, Maharashtra, has been a pioneer in the sewing machine industry for more than five decades. As a leading trader and supplier, we are dedicated to delivering sewing solutions that cater to both domestic households and large-scale industrial operations. Our commitment to excellence, reliability, and innovation has earned us the trust of clients across India. Over the years, we have built a strong reputation for providing durable, efficient, and user-friendly machines that meet the evolving needs of our customers.

We offer a diverse and comprehensive range of sewing machines designed to suit various requirements. Our portfolio includes Fucen Sewing Machine, Home Sewing Machine, Arm Sewing Machine, Embroidery Machine and Bag Closing Machine. Every product we supply is sourced from trusted manufacturers and carefully inspected to ensure optimum performance, durability, and safety. Whether it is for personal use at home, small-scale tailoring, or large-scale industrial stitching, our machines are engineered to deliver consistent results while enhancing productivity and ease of use.

We strive to provide products that make sewing efficient and convenient. Our focus on understanding client needs, combined with our experience and dedication, ensures that we deliver solutions that exceed expectations. We aim to empower our clients with the best sewing tools for their home or business.
