About Us

Since 1997, we at Bharat Trans Service have been passionately involved in the engineering and development of state-of-the-art transformers & stabilizers. Our firm has been serving & supporting the industries and individuals from diversified sectors very proficiently by working as a manufacturer and service provider. The assortment which we have been presenting to them encompasses Single Phase Voltage Stabilizers, Servo Stabilizers, Amorphous Transformers, Distribution Transformers, OLTC Transformers, Circuit Braker Panels, Power Distribution Transformers, Power Transformers and more. Our offered products have popularity under the brand name of BTS in markets across country. They have been demanded by the customers constantly due to their superior efficiency, enhanced performance and cost saving prices.

Our team of well trained professionals render the finest Services of aforementioned Transformers & Servo Stabilizers. They manage work in a fully customer centric way to ensure that a trustful & transparent relation is maintained with each client. At the end, we take well measured steps to provide a fulfilling and satisfying experience to them on every deal.

Key Facts

No of Staff	40
Year of Establishment	1997
No of Production Lines	2
OEM Service Provided	No
Monthly Production Capacity	As per the Requirement

Our Products

Air Circuit Breaker Panel

Power Factor Panels

Distribution Panels

Servo Stabilizers

Vacuum Circuit Breaker Panels

Power Transformers

Single Phase Voltage Stabilizers

OLTC Transformers
