About Us

Himalaya Extrusion Limited is a customer-focused company that always tries to make its clients happy. Our grand success is evidence that we are a worthy destination to have business deals for products such as Platinum Collectors Edition Writing Pen, Silver Leaf Writing Pen, Gold Leaf Writing Pen, Chicken Masala, etc. We not only have robust infrastructure but strong supply chain management too, which helps us deliver goods in a timely manner. Our goal is to expand internationally and add more to our product line.

Our moral principles and ethical working approach also set us apart from our competitors and attract more and more buyers to us. We also make sure to gather feedback from buyers so that we can improvise and continue to maintain our market leading reputation.
