About Us

Kids development and growth is a nightmare in this day and age with no games or toys. Innocent little munchkins run after games that triggers their excitement, creativity, physical exercise and eagerness. Understanding importance of right quality games for these intelligent minds, our business concern has arrived in the games and toys domain as a manufacturer as well as supplier. Our business entity, I. S. Toy's And Games, as the name implies, is occupied in bringing forward well developed fascinating toys and games that every children happily plays. Operating from 2015, our corporation has come in to existence as one of the idolized names in the production of games and toys. Our product list consists Kids Plastic Cricket Set, Kids Chess And Ludo, Kids Plastic Racket, 13 in 1 Family Game and so many more items.

Our manufacturing corporation studies users current choices in games and toys in order to continue appearing in markets as the successful kids toys and game company. We maintain our stock of games and toys in sufficient quantity so that unforeseen rise in orders can be managed without any disturbance. We maintain profound focus on safety of little munchkins and make sure to arrive in markets with games and toys that are reliable and safe to play. Our games are interesting enough to steal hearts of little kids and continue being their lasting favorite.
