About Us

B. M. Water Meter is a 1980 formed prestigious business entity working hard as a manufacturer and exporter of K-05, Woltman Type Meter, etc. We focus over quality of manufactured line because we aim to supply singularly the best to our customers. The production space of our company is huge and outfitted with all kinds of latest machines and tools. These products are examined on various quality parameters to eradicate chances of defects in range. Manufactured products have gained higher demand in various countries owing to their sturdy construction, durability, and excellent performance during usage. Every product provided by us is designed and developed with high grade raw material under the right supervision of highly qualified engineers and skilled personnel.

Formed years back in 1980, B. M. Water Meter is renowned across continents as a leading dealer of Electromagnetic Flow Meters and Mechanical Water Meters. We are reliable Water Meter manufacturer that works hard to serve unparalleled quality of Domestic Water Meter, Multi Jet Water Meter, Ultrasonic Flow Meter and much more under brand name 'Kranti'. Excellent development of products, unmatched quality standards and superior finishing have increased market goodwill of the company. Under the guidance of an intellectual man, Mr. Avinash Sharma (Partner) and his talented son Mr. Kushal Sharma, company has made its name in the list of trusted Indian companies which smoothly trade across borders. ISO 9001:2008, ISI, ISO:4064, EEPC are some out of many certifications which quality standards of products has made our Jalandhar (Punjab, India) based company, achieve.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	MULTJET CLASS B WATER METER,water meter
No of Staff	150
Year of Establishment	1980
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	25000 meter
Memberships	EEPC, MJP, BMC, DJP FCRI, and IBR
ProductRange	MULTJET CLASS B WATER METER,water meter

Our Products

T Type Strainer (Dirt Box)

Hot Water Meter Class B Woltman Type

AMR Compatible Pulse Output Class B Water

Kushal Electromagnetic

Ultrasonic Flow Meter

Multijet Class B Water Meter For Jjm

Mid Water Meter

Multijet B Class Water Meter

Bulk Enclosed Water Meter

Singlejet Water Meter

Multijet Class B Water Meter (Copper Can)

Amr Compatible Water Meter

Amr Water Meter

Multijet Class B Water Meter

Sg Iron Multijet Class B Non ISI Water Meter

Irrigation Water Meter

ADDRESS

**Village Salem Pur, Musalmanna,
Near Petrol Pump, Randhawa
Masandhan Road, Jalandhar,
