POPUP SPRINKLER IRRIGATION SYSTEM

About Us

Bhavana Agrotech was born to support numerous farmers across the country by providing its products and services. We are one of the most respectable trader of Popup Sprinkler Irrigation System, Hydroponic Fodder System, Dome Type Net House, Automatic Hydroponics Systems, Fan Pad Natural Ventilated Poly House, and many other products that help in growth of crops on agricultural fields. We also deal with Tissue Culture Taiwan Pink Guava Plant, Tissue Culture Sagwan Plant, Original Grass, Gerbera Tissue Culture Plants, and many other plants.

We are famous in the market for our Hydroponics and Aeroponics solutions. We provide a range of products that help our customers in setting commercial and micro hHydroponics farms. At our company, we believe in sharing knowledge. Therefore, apart from selling products, we are providing designing, consulting, training and general guidance to clients about various equipment.
