XT2™

ENDURO SERIES™

POWER AND PRECISION FOR BIGGER CHALLENGES

The XT2 Series delivers high levels of power, control and durability. These lawn tractors are ideal for challenging terrain, hauling and attachment use.

MODELS AVAILABLE:

LX 46 with a powerful 22hp Kohler® 7000 Series V-Twin OHV engine and a 117cm (46") **fabricated** deck.

LX 54 with a powerful 26hp Kohler® 7000 Series V-Twin OHV engine and a 137cm (54") **fabricated** deck.

ADDED COMFORT

The NEW Cub Comfort™ seat with a 10° incline and slide feature gives you the ultimate in ergonomic riding to suit your own individual needs. The high-back seat comes with standard armrests to ensure you stay comfortable and at ease especially when mowing the lawn for longer periods.

LESS SLIP MORE GRIP

Every XT2 lawn tractor comes standard with premium Multi Trac tyres featuring an aggressive tread design that directs the power straight to the ground, minimising slip and spinning, even on wet grass. That means less turfing, more precise manoeuvring and better results for your lawn.

HEAVY-DUTY CUTTING DECKS

A tougher cutting system design and construction ensures you will always experience unbeatable durability, amazing catcher performance and the pristine Cub Cadet Signature Cut™ giving you the ideal lawn.
