## About Us

Who does not want to own decorative articles to serve food, or to decorate house? Everyone. Yes, everyone wants uniquely designed articles to best serve delicacies and decorate space with finesse. For people wanting to own exquisitely designed articles, must stop and shop at **Bhookan Saran International**, a premium decorative utensils, furniture, photo frames, etc., manufacturing company.

Skilled designers in the City of Brass, **Moradabad, Uttar Pradesh (India)**, work on creating stunning pieces in wood, beads, glass, metal, aluminium, and other materials. Based in this industrial hub of handicrafts, we as **manufacturer** and **exporter** are introducing elegantly designed handcrafted items like **Steel Opener, Steel Leaf Plater, Anchor, Metal Votive Candle Holder, Epoxy Printed Bowl, Mosaic Vase** and more.

Our attractive pieces of home decor come in a variety of designs, colors, dimensions and finishes. From modern to antique look, we have various pieces to suit preference of buyers. Delighting customers has always been our priority. Focusing on the same, we have been following a suitable price structure as per which we price our articles at lowest possible prices.

## Why Prefer Us?

- ✿ **Experience:** We have more than 25 years of longstanding in producing stylish decor articles for home and office spaces.
- ✿ **Production:** We indulge in creating stunning articles in bulk and completing bulk order requirements on time.
- ✿ **Packaging:** We pack all articles, both, which are to be shipped in national and foreign cities, in export quality packaging material to promote safe delivery.
