About Us

The most fabulous state in India, Rajasthan is not only famous for its forts & palaces but also a famous shopping destination for colorful traditional clothes, bangles, jutties, jewelry, wooden furniture and last but not the least its beautiful handicraft items. Buyers who are interested in purchasing bags, wooden furniture and handicrafts with an authentic touch of Rajasthan can contact Shivshakti Handicrafts. It is a newly ventured business set-up which is promoting the rich heritage and tradition of India in the entire world. Operating as a **manufacturer, exporter** and **supplier**, the company is running under the proprietorship of **Mr. Prakash Singh**.

Shivshakti Handicrafts is a newly established venture which is mainly indulged into manufacturing an elegant collection of handicraft items such as **Wooden Modern Chest Of Drawers, Wooden Trunk, Wooden Painted Round Chakki Table, Wooden Natural Finished Curved Coffee Table, Ladies Handcrafted Modern Shoulder Bag** and varied others. These handicrafts are designed exclusively in our company by our skilled artisans and through modern machinery. All our business operations are carried out from our Jodhpur, Rajasthan (India) based set-up which has all the requisite amenities. Our location connects us with major ports, airports and roads via which we deliver all the consignments to the national and international markets.

Karni Arts is our official brand under which we are selling our elegant collection of **Ladies Handcrafted Modern Shoulder Bags, Wooden Antique Chest Of Drawers, Wooden Trunk, Wooden Antique Chakki Table, Round Coffee Table, Bone Inlay Stool**, etc. to the whole world. Some of the handmade pieces we are offering are prepared by our skilled artisans via traditional methods. Apart from this, we also make use of advanced machines and equipment for producing our offerings. Our handicraft pieces are ideal to place in homes, offices, hotels, restaurants, etc. as decorative pieces. They are also suitable gifting options in weddings, birthday parties, festivals and other such events.

Modern Operational Unit

Running a business smoothly require a well-furnished infrastructure facility considering which we have established the same in Jodhpur. The unit consist all the modern machines and equipment that are essential for producing international grade Wooden Trunk, Wooden Antique Chest Of Drawers, Wooden Antique Chakki Table, etc. Top-class material is used for producing these items which are sourced by our procurement agents through different vendors. As per the different functions performed in our company, we have segregated the facility into production, designing, quality checking, engineering and other sub-units.
