

SANKO FOOD & BEVERAGE PRIVATE LIMITED

Unparalleled Quality Products Are
That All We Serve!

About Us

Food & beverage is one such industry which has been growing immensely from the past several years because of the opening of several restaurants, hotels, food joints, cafeteria and similar places. Recently in **2020**, we, **Sanko Food & Beverage Private Limited** too decided to enter into this business and introduce wider range of food & beverage items such as **Tomato Ketchup, Soy Sauce, Kewra Water, Pineapple Jam, Vinegar, Indian Pickle**, etc., in various quantity bottles. We have in-house production unit where we process these food items, pack them properly and sell them under our own brand, Delicious Arati.

We being an emerging manufacturer and supplier, are consistently growing our business by supplying our food items all across the country. To attain a trusted position in the market, it is important for us to meet the expectations of the customers. For this purpose, we emphasize mainly on the quality and price of the offered products. Here at our company, every single food item is processed under the keen supervision of food experts to ensure freshness, delicious taste, longer shelf life and safety. Only after the rigorous quality checks of the offerings, they are transferred to the next stage of packaging and dispatch. The strict quality checking procedures which we follow showcase our focus towards product quality.

We are well aware with the fact that food is one of the most competitive industries and surviving in this sector is not at all an easy task. Therefore, we have developed a modern infrastructure unit where all the world-class food processing machines and latest technology are installed. By using these sophisticated amenities, we are bringing forth a premium range of Kewra Water, Pineapple Jam, Vinegar, Tomato Ketchup, Soy Sauce, etc. Our premise is further segmented into various departments like production, quality testing, packaging, administration, etc., which work together to take the company into heights of success.
