About Us

Delighting customers is a priority at **Sharavi Exim** because we know happy and satisfied clients attract company growth. We are a **trader, wholesaler, exporter** and **service provider** in the industry, engaged in presenting a quality-made line of areca and coir products.

Our products such as **Areca Leaf Bowl, Areca Leaf Heart Shape Plate, Eco Friendly Coir Hanging Flower Basket, Coir Pot, Coir Pole** and many others are biodegradable. It is the result of their cost-effectiveness that customers prefer us over others for sourcing these products. Our array of coir and areca based items is featured best for dimensional accuracy and light weight.

Sharavi Exim is a trading, wholesaling and exporting company from Chennai, Tamil Nadu, India, that is supplying a wide array of eco-friendly products containing Areca Leaf Plain Bowl, Areca Leaf Heart Shape Plate, Coir Hanging Flower Basket, Coir Pot, to name a few products. Focusing on different customers needs, we source standard dimensions of areca and coir based products. Our products are quality based, cost-effective and 100% biodegradable. We emphasize on the factor of quick delivery because we know customers prefer maintaining business relations with prompt shipment making companies. Along with this, we make sure customers get ordered items at reasonable prices.
