About Us

Founded in 2018 and headquartered in Pune, Maharashtra, Bhatai Automation (Opc) Pvt.Ltd has rapidly established itself as a trusted manufacturer and supplier of cutting edge digital solutions. We specialize in Digital Standee and Interactive Flat Panel, offering innovative products designed to transform communication, learning, and brand engagement experiences across industries.

Our mission is to bridge technology with convenience, delivering solutions that are not only high performing but also user friendly and visually impactful. Every product we create reflects our commitment to quality, durability, and modern design, ensuring that our clients stay ahead in a fast evolving digital landscape.

Over the years, we have catered to a diverse clientele, including educational institutions, corporate offices, retail environments, and event organizers. Our focus on customization, reliability, and after sales support sets us apart, enabling us to build lasting relationships based on trust and performance.

Driven by innovation and a customer first approach, we continue to explore new technologies and solutions that enhance interaction, communication, and engagement. With a dedicated team of professionals, state-of-the-art manufacturing facilities, and a clear vision for the future, we are committed to empowering businesses and institutions to communicate smarter and more effectively.
