

Hindustan Traders

Our Industrial Extension Board, Leather Hand Gloves, Boiler Suit, Rubber Coated Gloves and Security Jacket are designed to deliver reliable protection, enhanced safety and long-lasting performance for various industrial and workplace environments.

About Us

Welcome to Hindustan Traders, a trusted name committed to delivering reliable industrial safety and electrical support solutions. Established in 2021 in Jamshedpur, Jharkhand, our company has steadily grown by providing high-quality products tailored to diverse operational environments. We focus on creating long-term partnerships with clients by offering dependable products, transparent dealings and dedicated support. Our goal is to ensure that every customer receives solutions that enhance workplace safety, improve productivity and meet professional standards.

As a manufacturer, trader and supplier, we specialize in Boiler Suit, Industrial Extension Board, Leather Hand Gloves, Rubber Coated Gloves and Security Jacket. We serve industries across manufacturing, engineering, construction, fabrication and other sectors requiring dependable safety and electrical accessories.

Customer satisfaction is our priority. We offer flexible solutions for bulk orders, customized sizing and urgent dispatch, supported by prompt assistance and dependable after-sales service.

Commitment to Quality and Innovation

Quality remains at the core of everything we do. We continuously improve our products by monitoring market trends and industry requirements, ensuring compliance with quality standards and reliable performance in demanding working conditions.

Why Choose Us?

- Trusted Industry Expertise
- Consistent Product Quality
- Commitment to Timely Delivery
