About Us

Anvit Components is globally famous for its wide range of industrial components & fasteners, and passion to serve customers with utmost sincerity and dedication. In 2020, we started our journey and have constantly progressed to become a renowned name in the global market. We are one of the most trusted manufacturers and exporters of High Grade SS Gear, Heavy Duty Shaft, Metal Stud, Industrial Pressure Valve, MS Pipe Nipple, Mild Steel Screw, Tube Adapters, Nut Bush, Ring Pinton Gear, and many other products.

Drawing on our vast experience in serving the earth-moving machine parts and automotive industries, we develop exceptionally well products that are as per the industry defined quality standards. We have maintained a sound machine shop and a team of genius experts who help us to serve customers high confidence. We are popular in the market for producing large component volumes with a complete JIT (Just-In-Time) approach. A large number of customers also acknowledge us for ensuring long-term reliability as per customer expectations and maintaining accuracy in our works.
