About Us

We at **Net Pro** have started our journey with firm aspiration of becoming the most customer-friendly and futuristic firm in Indian markets. Under the pragmatic mentorship of **Mr. Vishal Sharma**, we are serving prolifically as a trader and wholesaler. Our company is dealing in various Electronics items that always remain in endless demands among the customers. We aim to reach out, serve & support every such customer in markets across the nation who seek for procuring latest products at cost-effective price range. The range which we are bringing for them is encompassing **Cloud Router Switch, Router Board, Ubiquiti Rocket, Ubiquiti Powerbeam, Mikrotik Disc Lite, Cloud Core Router, Mikrotik Basebox** and other items.

Through our customer deviated work approaches, we are rapidly winning the valuable trust and confidence of our respectful customers. All we seek for is to become their foremost choice in the domain by continuously providing them a satisfactory & fulfilling business experience.

Our newly founded enterprise in the year 2020, Net Pro is dealing in a variety of electronics items that have enormous demands in the marketplace. With the back support of well acknowledged vendors in the industry, we are conveniently trading various items that are latest in technology. We are offering the most profitable deals to the customers in respective field through which our business is getting expanded in every part of the country. Located in the primary area of New Delhi (Delhi, India), we are supplying items such as Cloud Core Router, Cloud Router Switch, Router Board, Mikrotik Basebox, Mikrotik Disc Lite, Ubiquiti Powerbeam, Ubiquiti Rocket, etc.

Warehousing & Packaging

For keeping ourselves well-prepared and meeting urgent requirements of customers without any delays or compromise in the process, we have advanced warehousing and packaging facilities. Our entire premise is well organized and safely maintained for storing bulk amount of Cloud Core Router, Router Board, Ubiquiti Rocket, Mikrotik Basebox, Cloud Router Switch, Ubiquiti Powerbeam and more items for long time. The warehouse is quality maintained by our housekeeping personnel. They make sure that every item stored at the unit is quality assured, appropriately packed & ready to be delivered to the customers.
