About Us

Centaac Corporation is known in the market as a reliable supplier and trader of Sewage Treatment Plant, Johkasou Sewage Treatment FRP Plant, Industrial Reverse Osmosis Plant, Waste Water Treatment Plant, Effluent Treatment Plants, and more. All of our products are procured from trustworthy manufacturers with years of experience in the industry. To ensure the quality of these products, we pass them through a series of quality assurance tests as well. This helps us ensure that they are highly durable, efficient, have a corrosion-resistant surface, and can function well for a long period of time.

We are also known as a reliable service provider, offering various services, including sewage treatment plant installation services. These services are rendered by our team of experts, who make sure that all the projects undertaken are completed efficiently within the stipulated time frame.
