About Us

Owned by Kalpesh Tejani, Kaarvi Green Energy is a prominent trader, supplier, service provider, and wholesaler in the market. As our name suggests, we offer a comprehensive range of solar solutions. Our product range includes Solar Hybrid Systems, Industrial Solar Power Systems, Industrial Solar Rooftop Systems, Solar Energy Power Systems, and others. Designed and developed as per the industrial norms, our products reflect meticulous craftsmanship and superior quality.

Each product is sourced from trusted vendors in the market and is further extensively examined by our quality controllers on multiple parameters. As a result of conscious efforts put in by our professionals to ensure the delivery of a top-notch product range, we have garnered a large pool of customers. They rely on us again and again because our products are longer-serving, robustly constructed, modernly designed, and highly affordable.
