About Us

PGSA2Z is a trusted manufacturer, supplier, and distributor of premium-quality DC Cooling Fans, DC Axial Fans, and DC Blower Fans, headquartered in New Delhi, India. We are committed to delivering efficient and reliable airflow solutions to OEMs, industrial buyers, technicians, system integrators, and various commercial sectors across the country. Our wide product range is designed to meet the cooling and ventilation requirements of different industries, including electronics, automation, telecommunications, power systems, and industrial equipment.

At PGSA2Z, we carefully source and supply products that are known for their superior performance, durability, energy efficiency, and long operational life. Every product is selected to ensure consistent quality and dependable functionality, making them suitable for both standard and high-demand industrial applications. With a strong focus on customer satisfaction, we strive to provide products that meet modern industry standards and performance expectations.

Backed by efficient logistics, competitive pricing, and responsive customer support, PGSA2Z has built a strong reputation in the market as a dependable supplier of DC cooling and axial fan solutions across India.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	High Speed Blower Fan,mini rocker switches,dc cooling fan,motor toys,DC MOTOR,DC BLOWER WITH CONTROLLER,12V DC BLOWER,DC BLOWER,Brushless Air Cooling Fan,Brushless Air Cooling Fan
No of Staff	18
Year of Establishment	2017
OEM Service Provided	No
ProductRange	High Speed Blower Fan,mini rocker switches,dc cooling fan,motor toys,DC MOTOR,DC BLOWER WITH CONTROLLER,12V DC BLOWER,DC BLOWER,Brushless Air Cooling Fan,Brushless Air Cooling Fan
