## About Us

As a part of the prestigious RS Group, we, RS Cement Pipe Private Limited was started in the year 2006 under the stewardship of Mr. Neeraj Verma, founder of the group. For more than a decade, our company has been engaged in manufacturing Industrial Concrete Hume Pipe, RCC Pipe, Underground Drainage Pipe, and more items in various in various specifications. In addition to this, we are also dealing in Manhole Covers, Concrete Hume Pipe, Round Concrete Pipe, Paver Blocks, Boundary Wall, Kerb Stone etc. Our wide product range has earned us numerous accolades as a manufacturer and clients in the construction industry.

It is the support and valuable business insights of our mentor which have helped us touch heights in the competitive segment. Prior to forming our company, he has worked in civil services and has applaud worthy experience. Under his guidance, our business has continued to change and evolve from the company that was originally started. Production innovation and development has always remained at the centre of our business operations in the last 14 years, with our clients being the mainstay of our business as well as progression from the outset.
